

To whom it may concern,

I am writing this letter to support Prof. Lei Wang for the Outstanding TA Award. My name is Jamie Leon and I had the pleasure of having Lei Wang as my instructor for IDE 401 Integrating Technology into the Classroom III. She was very attentive to my needs as a student and helped me whenever I needed assistance inside and outside of the class. Lei was also very responsive whenever I reached out and communicated with her outside class hours. She always responds to my emails within the day, if not within the hour, that I had sent the original message. She always went above and beyond, as well, and whenever I had requested a possible Zoom meeting to discuss an assignment, she never hesitated to agree. Lei was a very communicative, supportive, and helpful instructor and she helped me expand my knowledge about the different technological possibilities I can implement in my future classroom. I strongly endorse Prof. Lei Wang's nomination for the Outstanding TA Award and believe she is the best candidate for this award!

Sincerely,

Jamie Leon
